

Dear Friend,

Since 1993, Collaborative Solutions Institute (CSI) has provided professional clinical counseling services to teens, adults, and families. Through individual, family, and group counseling, caring professionals help clients work toward improving emotional and mental health, strengthening relationships, and teaching respect for self and others. CSI advances best practices in counseling, mediation, and motivational public speaking, as well as providing services to those with limited resources. As a non-profit organization, CSI is financially supported by grants and contributions from members of the community.

CSI's annual fundraiser, the Extraordinary Ordinary Men of the Year event, celebrates outstanding men throughout McLean County who live our values by giving their time and talents through everyday actions in their neighborhoods, their faith communities, schools, social service agencies, or through their voluntary service to others.

Event sponsorship and donation opportunities are available to help CSI continue its vital work in the community. Your generous support will help provide CSI the necessary funding to continue developing innovative programs to effectively serve a growing number of clients.

Please consider becoming a sponsor at the Gold, Silver, or Bronze level. We would be happy to meet with you, or a representative from your company, to share more information regarding the goal of the Extraordinary Ordinary Men of the Year Awards and the services provided by CSI. We also encourage you to nominate a deserving male role model for the 2016 Extraordinary Ordinary Men of the Year award. You can find out how to nominate by going to the CSI website link below.
